Political advertisement paid for and approved by Dr. Mark Marciano, Democrat for State Representative, District 83.

Florida needs jobs! Unfortunately, only a few Florida legislators are small business owners. *Mark Marciano* is a real small business owner who knows how to create jobs and balance a budget.

Mark and Brandee Marciano are **REAL** small business owners who rely on the success of their business for their livelihood.

We need legislators, like **Mark**, in Tallahassee. **Mark** is a fiscal conservative. He understands the challenges **REAL** small businesses face and how the decisions legislators make impact the ability of small businesses to grow and create jobs.

Unfortunately, state government is broken. For the past twelve years, Republicans have been in control in Tallahassee. In the good times, they failed to cut taxes, reign in spending or create real, sustainable jobs. As a result, **unemployment in Florida is at an all-time high.**

Meanwhile, **lobbyists** and **special interests** have taken control of Tallahassee.

Mark's opponent, **career lobbyist Pat Rooney, Jr.**, represents more of the **same.**

Mark Marciano will fight to create good paying jobs, support incentives to help small businesses grow, cut unnecessary government regulation and put Floridians back to work.

***Mark Marciano* is the Palm Beach County outsider who will take on the Tallahassee insiders!**
